	\$ 366/\$132	Monthly (12 Payments)	due the 10th from July-June

II. APPLICATION PROCESS FOR RETURNING AND NEW STUDENTS

Applications for returning students will be processed before adding new students to the class unless the account is past due. Returning students whose 2007 - 2008 account is not current will have their applications placed in a pending file until the account has been made current. ***The deadline to reserve a guaranteed space for a returning student is February 11th.*** After that date, new students applications will be processed in the order received. A new student who enrolls after school has begun will pay the Application fee, pro-rated tuition, Technology fee, and Textbook/Supplies fee.

III. APPLICATION FEE FOR RETURNING AND NEW STUDENTS

\$ 75 per returning student if paid before March 10, 2008
 \$175 per returning student if paid after March 10 and before May 2, 2008
 \$250 per returning student after May 2, 2008
 \$125 per new student

The application fee is non-refundable and does not apply toward tuition. In the event that an accepted student does not enroll, the entire application fee is non-refundable.

IV. TESTING FEE

A testing fee of **\$35** will be charged for all new students in grades K5 - 8 when testing is required due to test scores not being available at the time of application. All students entering K4 will be tested regardless of source at the same cost of **\$35**.

V. TUITION POLICY AND TUITION REPAYMENT PLAN (TRP) FEE

PAYMENT OF TUITION

All monthly tuition payments are due by the first of each month. An annual processing fee of 10% is added to the monthly payment plan. Annual and semi-annual payments are due by July 10th, and July 10th and January 10th, respectively. Any payments received after the 10th of the month will incur a **\$20** late fee. If an account becomes 30 days past due, the student will not be allowed to attend school.

TUITION REPAYMENT PLAN (TRP)

TRP is a self-insurance fund that ensures the payment of accounts that are not paid in full at registration. It is calculated at 3% of the full tuition. Tuition refund insurance is required to complete the registration process in the following cases: a) semi-annual and monthly payment plans, and b) students on any type of probation or conditional re-enrollment. Tuition refund insurance is also available to other families on an optional, voluntary basis. TRP is required to be paid in full at the time of first payment. ***Note: Students must be enrolled in school for 14 consecutive school days before the insurance becomes effective.***

VI. ACCIDENT INSURANCE

Basic student accident insurance covering all school related activities is provided and is included in the tuition charge.

VII. SITUATIONAL CHARGES and MISCELLANEOUS COSTS

- If annual or semi-annual payment plans are selected and the terms of the financial agreement are not met, the tuition fees will be recalculated at the non-discount rate.
- Certain costs are not included in the basic tuition. These include cost of lunch, field trip fees, yearbook purchase, athletic fees, after-school care charges, and book covers.
- A Technology fee of **\$50** per semester is assessed; \$50 is due at registration.
- A Textbook/Supplies fee of **\$50** per semester is assessed; \$50 is due at registration.
- A late fee of **\$20** is applied to any account that is unpaid as of the 10th of the month regardless of the nature of the outstanding balance.
- A fee of **\$15** is charged for all returned checks.
- Fees charged for After-School Care are provided on a separate schedule.
